## About Nuture the Next:

Nuture the Next exists to serve vulnerable families and their children. We provide personalized care and support in the comfort of their homes, focusing on the critical first five years of a child's life when 90% of brain development occurs. Our organization is committed to a future where all Tennessee children thrive in safe, stable, nurturing families and communities.

Communities that come together to support each other are the best kind. This year, we celebrate 40 years of serving Tennessee families, and we recognize that our history of success goes hand in hand with the support of community-minded businesses like yours.

Your sponsorship of *A Night with Nuture the Next* is an investment in our shared future and collective prosperity as Tennesseans. We are thrilled to collaborate in advancing our mission at Nuture the Next and to support the growth of your business. We greatly appreciate your dedication to Nuture the Next and for helping us raise the next generation, together!
